NRM Devolved decision making & Multi Agency Modern Slavery Panel (MAMS) process

MDS Co-ordinator to ensure agenda for MAMS and all relevant documents are sent to all panel members securely in good time prior to the panel.

MAMS meeting will take place every 6 weeks (following local authority MACE meeting). Outcomes will be as follows;

Negative RG- The panel determines the individual is not a victim of modern day slavery

Positive RG and Positive CG- If there is sufficient information the panel can make both a positive RG and CG decision.

Positive RG only- The panel makes a positive RG but determines more information is required to make a CG.

MSC to record MAMS decision on LL and update spreadsheet accordingly.

MAMS Meeting to be recorded on case recording system utilising case note. Full MAMS Terms of Reference in place.

MS Co-ordinator updates SCA within one working day of the decision using the standardised Reporting Template along with full panel minutes and evidence used for the decision. Request can be made by panel members for Quality assurance by the SCA at any time.

Negative Reasonable Grounds - LA notifies the SCA within one working day of the decision using the standardised Reporting Template along with evidence used for the decision - SCA record outcome of decision.

Positive Reasonable Grounds – Modern Slavery Co-ordinator notifies the SCA within one working day of the decision utilising standardised reporting template along with evidence used for the decision. 2nd MAMS set up to review information and obtain updates on potential actions. – 2nd Meeting to be scheduled within 45 days of first meeting.

Positive Reasonable and Conclusive Grounds - LA notifies the SCA within one working day of the decision using the standardised Reporting Template along with evidence used for the decision. - SCA record outcome of decision.

Modern Slavery co-ordinator to provide data sets on an agreed basis – how many RG decisions, how many CG decisions, how many NG decisions, how many MAMS taken place, timeliness for decision making, categories of MDS – CSE, CCE, Human Trafficking, forced labour etc. Full data set to be shared by the Home Office.
